## SUMMARY

I enjoy learning and I look for opportunities to gain knowledge. I enjoy challenges because it gives you something to work towards, and a sense of accomplishment once there completed. Some of the jobs I was required to complete were high stress and have taught me to work well under pressure. Accomplishing the task at hand is important to me and I will do what it takes to complete it on time. I would like to work on anything that has to do with developing software, Or the use of logistical algorithms that help allocate resources in the most efficient manner. T

## EXPERIENCE

### **Owner: Sayre Auto Spa**

**2013-2016**

Marketing for business to include a web site, online and radio ads, and social media. As a small business owner I would inventory and maintain product supply, as well as perform regular maintenance on equipment. Ensuring employs tasks were completed correctly, As well as working alongside them.

### **Field Servicers LLC**

**2013-2015**

Locate homes on my list to be assessed and prepare for repossession. In doing so I would take detailed notes about the condition of homes noting any damage and documenting it with pictures. Remove old door hardware and replace with my own as well as secure any other doors or windows. Make direct contact with home owner to attempt to bring them current with their monthly payments or set up payment arrangements.

**United States Marine Corps, Camp Pendleton California, Yuma Arizona, 29 Palms California, USS Peleliu**

**2009 – 2013**

### **Communications Operator**

Operate radio equipment in order to communicate with ships, aircraft, setting up antennas and mobile communication units during military field exercises. Setting up and maintaining Ciper and Nipper network servers, as well as all end devices on the network.

**United States Marine Corps, Camp Pendleton California**

**2010 – 2013**

### **EKMS Manager**

During a six month period I worked as a local Electronic Key management custodian. Where I was in charge over 2 million dollars worth of gear that I issued and maintained all without incident.
